

The Admission Process, Step by Step

From first call to final offer, here is exactly how a NextGen application unfolds. Timelines vary by country and intake – your counsellor will map precise dates for you.

1 • Discovery & Profile Assessment

A free consultation to understand your goals, grades and budget. We benchmark your profile against real admission data.

2 • Country & University Shortlist

A balanced list of ambitious, target and safe universities matched to your course, career and finances.

3 • Documents & Applications

We craft your SOP, essays, LORs and CV, then submit accurate applications and track every portal and deadline.

4 • Offers & Decision

We help you compare offers, accept the right one, and pay any deposit to secure your place.

5 • Visa & Finances

We prepare your visa documentation, proof of funds and mock interview – the discipline behind our 98% success rate.

6 • Pre-Departure & Beyond

Accommodation, travel, forex and a pre-departure briefing – plus an alumni network waiting on the other side.
