

NextGen Study Abroad

NextGen Study Abroad is your gateway to global education. We guide ambitious students from first conversation to boarding gate across consultancy, admissions, student visas and English-test preparation, in 16 study destinations worldwide.

Our Mission

To make world-class education accessible to every ambitious student with honest advice, expert execution and genuine care at every step of the journey.

Our Vision

A world where a student's potential, not their postcode, decides where they can study and where NextGen is the most trusted name guiding them there.

Our Success Ratio

- " 98% student visa success rate
- " 94% university offer rate 3+ offers per student on average
- " 12,000+ students placed at universities worldwide
- " \$45M+ in scholarships and funding unlocked
- " 16 study destinations • 800+ partner universities
- " 15+ years guiding the next generation of global students
